

Vermillion Private Wealth Launches New Firm with XY Planning Network

Vermillion Private Wealth to offer fee-only financial planning and innovation-focused investment management

Kentucky, Lexington-Fayette, Feb 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Vermillion Private Wealth, a new financial planning and investment management firm founded by James Vermillion, is open for new clients with the help of XY Planning Network (XYPN), a leading organization of fee-only financial planners. Vermillion Private Wealth specializes in helping clients invest in disruptive technologies to

grow their net worth. They also provide comprehensive financial planning services.

“We start the investing process by looking at the world around us and identifying seismic shifts in how we will live, work, and interact in the future. We then seek to identify companies that are on the cutting edge of these macro trends and will benefit from the wide adoption of these innovations,” said founder, James Vermillion.

XY Planning Network offers a virtual community for new and established financial advisors, providing members with invaluable support in areas such as compliance, marketing, and business coaching. Additionally, members benefit from a wide range of technology solutions to support their firms. As a member of XYPN, James Vermillion was required to sign a fiduciary oath, among other membership standards.
