

Volleyball on SportsEdTV Adds Important Brazilian Motor Control Expert as Senior Contributor

Dr. Leonardo Fortes Leads Advanced Phys Ed and Performance Research in Brazil

Florida, Miami, Feb 3, 2021 ([Issuewire.com](https://www.issuewire.com)) - [SportsEdTV](https://www.sportsedtv.com) has added a Brazilian leader in human performance to its contributors of sports instruction experts who share advisories to millions of athletes, coaches, and parents who populate the global audiences of the FREE online sports training platform.

“Dr. Fortes was recruited by his collaborator and our Director of Volleyball, Dr. Gylton Da Matta, both

important contributors to the dominant Brazilian volleyball championship teams,” said Robert Mazzucchelli, Founder, and Chairman, SportsEdTV.

Dr. Fortes is currently Adjunct Professor, in the Department of Physical Education at the Federal University of Paraiba, in Joao Pessoa, Brazil. He graduated in Physical Education, Federal University of Juiz de Fora, MG, Brazil. He holds a Masters's degree in Physical Education and Ph.D. in Psychology from the same renowned university. In Portugal, Dr. Fortes' Post-Doctoral work in Applied Neuroscience, occurred at the University of Porto.

“When you consider the success of the Brazilian National Team, virtually owning the game the way it has in recent history, and realize that Dr. Fortes and Da Matta have played key roles, SportsEdTV's recently launched [volleyball training library](#) with their contributions becomes a must-see for the sport's players and coaches worldwide,” added Victor Bergonzoli, CEO of SportsEdTV.

About [SportsEdTV](#): [SportsEdTV](#) exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don't expect everyone who uses our learning tools to become a world champion - that's not our mission.

We do expect people who use our educational resources to become their own champions, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it's becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content and find new friends. [SportsEdTV](#) videos feature coaching from world-class coaches and athletes - many of whom are or have coached world-champions - and have been watched by viewers in every country in the world.
