

WiSilica Signs New Partnership Agreement with Goto Agencies to Promote Lumos Controls in Alberta, Canada

Alberta, Edmonton, Feb 17, 2021 ([IssueWire.com](https://www.issuewire.com)) - WiSilica, the world-class Intelligent Wireless Lighting Controls provider, and Goto Agencies, the leading sales agency, representing the top Lighting and Electrical Manufacturers, are allying to represent Lumos Controls, WiSilica's line of Wireless lighting control solutions in Alberta.

The partnership gives building communities of distributors, contractors, engineers, and specifiers easy access to world-class smart lighting products, thereby helping them to create a more intelligent and energy compliant ecosystem quickly.

"We are enthusiastic about our alliance with Goto Agencies. They will play a key role in introducing Lumos controls to their esteemed customers. Their professionalism and year-long experience in assisting building communities in designing and developing new constructions and renovation will be an added benefit for us. Their proven track record of committed customer service and profound knowledge about each projects' unique requirements are exemplary. They will be able to offer energy-code compliant, innovative, and easy to install lighting control solutions with our IoT based wireless controls," says Suresh Singamsetty, CEO of WiSilica.

WiSilica is the trendsetter of the world's first location-aware IoT platform that powers various smart lighting applications. The company is renowned for creating, highly flexible, easily manageable, and secured lighting network for a wide range of commercial applications effortlessly. They provide control devices and intuitive apps to create, control and manage an energy-efficient and code-compliant ecosystem.

"We look forward to the prospect of promoting Lumos Controls because their wireless solutions will make things easier for the building community in Alberta. Their lighting controls are very intuitive and should help set up energy-saving lighting ecosystems easily. We are pleased to join hands with WiSilica, and I am sure that we can help each other reach more customers in Alberta," says Greg Opgenorth, President Goto Agencies.

About WiSilica
