This devotional book was written to help you on your journey of doing better! "Higher Heights" devotional book contains daily bible verses and prayers for readers to meditate on daily. Where life can lead us is a mystery. Life sometimes takes us through different stages and tough times that persuade us to give up, but we need to get back up and try again! As we think about leaving the past behind us and moving on with the future takes us to the question "am I really going to a higher height?"

Jayden Watkins wrote this book to inspire others and new Christian believers. Jayden started writing this book at the age of 8 years old. What inspired Jayden to write this book was seeing and hearing people in his community say that they would do better in their lives or achieve a goal but never actually achieved them. This is his first book of many more to come.

Founder & Author

I pray that anyone who reads this devotional will be able to glean from the fields of a young man who has heard the voice of the Lord to come. We should pray that God will continue to use mere babes to share the Good News of Jesus Christ.

God's blessings as we all, young and old, go to Higher Heights.

Rev. Charles W. Burwell
