

## 15 year old artist Yung Advance is on the rise !

**New Jersey, Livingston, Mar 23, 2021 ([Issuewire.com](http://Issuewire.com))** - Yung Advance is a 15 yr old American artist from New Jersey that has accumulated thousands of streams in less than 5 months. He released his first song at 14 years old which has surpassed over 30k streams on all digital streaming platforms. He has caught the attention of thousands worldwide due to his melodic sound. With no label and no manager, he has been able to surpass thousands of streams and attention from people around the entire world. Still, only a Freshman in high school is the simple beginning for the young artist. Follow the artist on All Platforms!
