

50% off on Sporttore Adjustable Dumbbells 52.5LB Fitness Dial Dumbbell for Home Gym (Pair), Only \$349.99

Sporttore 's newly designed Adjustable Dumbbells are designed to meet the public's requirements for home workout and fitness, removing the cumbersome and heavy traditional dumbbells, and designing a dumbbell that can be adjusted with one hand.

New York, New York City, Mar 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - Sporttore 's newly designed Adjustable Dumbbells are designed to meet the public's requirements for home workout and fitness, removing the cumbersome and heavy traditional dumbbells, and designing a dumbbell that can be adjusted with one hand for everyone. Sporttore Dumbbells are the best replacement for 15 weights dumbbell set.

You are free to make adjustments from 5 to 52.5 pounds in 2.5 lb increments up to 25 lbs. Sporttore brand is positioned to provide mass-market consumers with affordable home-grade sports and fitness equipment and relevant advice to support their active lifestyle.

The feature-rich Sporttore [Adjustable Dumbbells currently available on Sporttore.com for just \\$349.99, 50% Off until 31/03/2021](https://www.sporttore.com), with 3-6 days Fast Delivery and Ship from US local warehouse.

Place the Sporttore Dumbbells on the tray. When you need to adjust the weight, you only need to rotate the handle to adjust the target weight, and you can complete the weight adjustment with a "click". There is no need for other extra actions. The weight adjustment is quick and easy, saving time spent on exercise and you can focus more on your training.

It's very convenient to adjust the weight. You can adjust it by just holding the handle according to the required weight. Point the pointer to the corresponding number to adjust the weight to the desired weight. Then, you can train by picking it up vertically.

The 8-lock structure design ensures that the counterweight plate will not fall off during the movement. More convenient and safer than the traditional one. Sporttore Adjustable Dumbbells can not only save you time and cost but also save a lot of space.

When we need to train, we can directly take out the dumbbells placed on the dumbbell base, adjust the weight you want to train, and you can train anywhere anytime. When we don't need to use it, we can put dumbbells in the base and store them under the bed or sofa, saving 80% of the space. Sporttore Adjustable Dumbbells can better ensure the efficiency of muscle training.

Scientific group interval time can effectively stimulate the target muscles. We can greatly reduce the time for weight adjustment and ensure the efficiency of group gaps. We can use different weights to exercise for different parts, without reassembling cumbersome dumbbells and achieve whole-body muscle training.

Sporttore Adjustable Dumbbells will gradually increase your strength by allowing you to make free resistance adjustments with quick and easy dials, which is also why they fit for both men and women, beginners and professionals.

These dumbbells will be your best versatile workout partner training arms, chest, shoulders, abdomen, back, and legs! Sporttore Adjustable
