

ARK Infosolutions Private Limited is Certified as 'Great Place To Work'

Uttar Pradesh, Noida, Mar 30, 2021 ([Issuewire.com](https://www.issuewire.com)) - **ARK Infosolutions Private Limited**, a leading value-added distributor of technology products in India has been certified as 'Great Place To Work' by a global authority, Great Place To Work for its work culture, employee experience and leadership behaviour. The certification comes when the company is rapidly expanding, focusing on increasing its presence in the global market by associating with some of the leading brands in the respective industries. The certification is a significant achievement for each one of them associated with the company including stakeholders. The certification solidifies the commitment of the company towards its employees who are thriving and excelling in their careers and serving its clients and customers empathetically.

"We are honored to get certified as the '**Great Place To Work**' by the prestigious global authority in the Small and Mid-Sized segment," said CEO and Founder, **Mr Rishi Khemka**. "I would like to congratulate everyone to make it a place to learn and grow mutually. This recognition validates our commitment and dedication to building a remarkable work culture and future together with our employees who are constantly working hard to achieve the common goals."

The certification will help ARK Infosolutions Private Limited gain market exposure and attract new talents who would further reinforce the company's reputation.
