

Calvin D. Dalton II, OD, an Optometrist with Dalton Family EyeCare

Get to know Optometrist Dr. Calvin D. Dalton II, who serves patients in Georgia.

New York, New York City, Mar 29, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Dalton, a skilled optometrist, is the Founder of Dalton Family EyeCare with offices in Cleveland and Dahlonega, Georgia. His patient care interests include pediatric vision disorders, specialty contact lenses, glaucoma, preventive care, as well as nutrition and diabetes.

Patients have excellent things to say about him, one stating “Dr. Dalton has to be one of the best eye doctors I’ve ever been to. Compassionate and honest. Genuinely cares about his patients. Listens to YOU and doesn’t just be a “doctor”. I am very happy to have found his practice.”

Back in the early days of his academic career, Dr. Dalton II graduated with his Bachelor of Science degree in Biomedical Sciences from Western Michigan University. He then went on to earn his Doctor of Optometry degree from the Illinois College of Optometry in Chicago in 2004.

He is a longstanding member of the Georgia Optometric Association (and currently serves as the District 9 President) and the American Optometric Association. He also loves to do mission work whenever he gets time free and has spent many years going to Nicaragua with BASIC Nicaragua.

Optometry is a health care profession that involves examining the eyes and applicable visual systems for defects or abnormalities, as well as diagnosing and managing eye disease. Optometrists are healthcare professionals who provide primary eye care through comprehensive eye examinations to detect and treat various visual abnormalities and eye diseases. Being a regulated profession, an optometrist’s scope of practice may differ depending on the location. Thus, disorders or diseases detected outside the treatment scope of optometry (i.e. those requiring certain surgical interventions) are referred out to relevant medical professionals for proper care. Optometrists typically work closely together with other eye care professionals, such as ophthalmologists and opticians, to deliver quality and efficient eye care to the general public.

Happily married, Dr. Dalton II and his wife, Larisa, have two daughters and a puppy named Izzy. He enjoys spending his free time outdoors, often hiking waterfalls, running, and working on his BBQ skills.
