

Could Youshh Be The Next YouTube?

Youshh Is The Home Of Easy Video Monetisation. NO Subscriber Counts OR Watch Time Thresholds!

The image shows the Youshh logo, which consists of the word "Youshh" in a large, white, bold, sans-serif font with a period at the end. A small "TM" trademark symbol is positioned above the second "h". The logo is centered on a solid red rectangular background.

Dorset, Christchurch, Mar 5, 2021 (Issuewire.com) - Youshh a brand new video sharing platform online and we make it easy for everyone to Watch, Upload and Earn with our innovative service.

There are numerous video-sharing platforms available to content creators. However, many impose monetization restrictions. That's why many creators are now looking for new avenues away from the norm or the standard option to publish their videos.

Whether creators are new to content creation or are professionals looking for a fresh way to publish their videos, we make it easy for them to upload, view, and share.

Creativity is at the forefront of our company mission at Youshh and there are no minimum watch time hour requirement thresholds or minimum subscriber bases. Instead, you can start making money on our platform immediately. Furthermore, all creators receive 70% of the total amount of revenue that is generated through advertising on their content, and our payment release threshold is only £25.

One of the most integral parts about Youshh is the fact that it is completely free to use. You can make use of everything that is on offer and not pay a single penny.
