

Digital Marketing for Small Businesses in the Greater Pittsburgh Area

OUR SERVICES

INTERNET MARKETING SERVICES

Top Keyword SEO

All of our Pittsburgh **SEO** Internet marketing service packages are guaranteed to provide top search results on keywords within 90 days or we will keep working free of charge until the result is reached! No other internet marketing consultancy firm in Pittsburgh is offering this type of Guarantee!

Website Design

Our team can create new or modify existing websites. This includes, but is not limited to HTML 5, PHP and MYSQL programing on popular platforms like WordPress, Joomla, Drupal, Medium, Ghost, Oscommerce, OpenCart, PrestaShop, Magento, ZenCart and WooCommerce.

Local Citation

We create and optimize the top Pittsburgh citations: Yelp, Citysearch, Superpages, Yellow Pages, Post-Gazette, Facebook, Yahoo Local, Manta, Service Magic, Angie's List, Judy's Book, Hotfrog, Kudzu, Blog and Thumbtack to increase leads, domain authority and business branding.

Social Media

Utilizing the top social media networks like Facebook, Twitter, LinkedIn, Google Plus, Pinterest, Tumbler and Instagram, we drive local Pittsburgh internet research marketed online traffic to your website generating quality networking sales leads.

Consumer Products Consulting

We are a company that offers, designs and builds services for you from initial sketches to the final construction.

Pay Per Click Management

You will be assigned a dedicated PPC associate who will manage your account doing the necessary research for a quality and affordable campaign. Custom ads will be created and targeted relevant keywords will be designed.
