Emerging singer Aries Haoneo Kuki release new song

On 3rd April 2021

Manipur, Churachandpur, Mar 19, 2021 (<u>Issuewire.com</u>) - Aries Haoneo Kuki a young and dynamic, emerging Kuki Pop Singer and lyricist from Northeast, India, Manipur, after a few years of break from singing & recording, today come up with anew song and announced that, he will be releasing his upcoming new song on his Birthday next month. ie, on *3rd April 2021* as Birthday gifts to everyone who loves him and supports him.

Aries Haoneo Kuki says that the title of the new song will be " **LUNGSETNAHI HAITANGE"** written, tune and arranged by **Mimin Haokip** famous Kuki pop singer, lyricist, and composer, it will be a duet song with a female vocalist, featuring Kuki emerging singer **Tingneo Vaiphei**, the song is still on the process at Mwanlal Music Production Studio, and he also released the first postal and cover art of the song, and it's coming soon stay tuned.

Aries Haoneo Kuki had to say about the new single in a press release that "In this song lyrics, the storyline is made in such way that both the lovers hold accountable each other as they break up in the first verse.

An in the second verse both the lovers remembering their past and missing them badly, that they can't accept this heartbreaking Break-up.

But, anyhow in the last verse, the two love bird's satisfyingly accepted the breakup, abiding farewell wish to each other and making a good ending relationship, and gives a good example to young boys and girls of today's Era that "Relationship should not end mysteriously but should be a good and Understanding Ending"

The new single will be also available on all online music stores and platforms such as Spotify, iTunes, Apple Music, Amazon Music, YouTube music, Jiosaavn, Pandora, iHeartRadio, SoundCloud, Reverbnation, etc.

Also available on social platforms like Instagram, Facebook & Tiktok.
