

ENO8 Ranks No. 53 on Inc. Magazine's List of the Fastest-Growing Private Companies in Texas

Companies on the 2021 Inc. 5000 Regionals: Texas list employed more than 44,000 people.

Texas, Plano, Mar 16, 2021 ([IssueWire.com](https://www.issuewire.com)) - *Inc.* magazine today revealed that ENO8 is No. 53 on its second annual Inc. 5000 Regionals: Texas list, the most prestigious ranking of the fastest-growing Texas-based private companies. Born of the annual Inc. 5000 franchise, this regional list represents a unique look at the most successful companies within the Texas economy's most dynamic segment—its independent small businesses.

"Offering an excellent customer experience and creating a unique process for innovation has been essential to ENO8's growth and success" said Rishi Khanna, Co-Founder of ENO8. "We're looking forward to continuing to thrive in the DFW market as we deliver service, excellence, and experience to the community."

The companies on this list show stunning rates of growth across all industries in Texas. Between 2017 and 2019, these 250 private companies had an average growth rate of 210 percent and, in 2019 alone, they employed more than 44,000 people and added more than \$9 billion to the Texas economy. Companies based in the largest metro areas—Dallas, Houston, and Austin—brought in the highest revenue overall.

Complete results of the Inc. 5000 Regionals: Texas, including company profiles and an interactive database that can be sorted by industry, metro area, and other criteria, can be found at <https://www.inc.com/inc5000/regionals/texas> starting March 16, 2021.

“This list proves the power of companies in Texas no matter the industry,” says *Inc.* editor-in-chief Scott Omelianuk. “The impressive revenues and growth rates prove the insight and diligence of CEOs and that these businesses are here to stay.”

More about *Inc.* and the Inc. 5000 Regionals

Methodology

The 2021 Inc. 5000 Regionals are ranked according to percentage revenue growth when comparing 2017 and 2019. To qualify, companies must have been founded and generating revenue by March 31, 2017. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2017 is \$100,000; the minimum for 2019 is \$1 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons.
