

Francesco della vedova: Professional Bodbuilder

Italy, Milan, Mar 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - I was born on September 10, 1996, in Milan, Italy. I'm an ISSA qualified personal trainer, bodybuilder champion, and fitness model and I have begun my career when I was 16 years old. Throughout my career, I've won many competitions nationally and internationally including the Italian Champion three times in a row and one Europe Champion. My goal is to help everyone who wants to make a change in their lives and train hard to achieve their dreams as I did with mine.
