# GRK Reddy Chairman & Managing Director MARG Group

GRK Reddy

**Tamil Nadu, Chennai, Mar 27, 2021 (Issuewire.com)** - GRK Reddy is a visionary & the man behind the success of MARG Group. A first-generation entrepreneur (fondly referred to as GRK by friends and peers), he began his career in the merchant banking industry and gained valuable experience in advising and structuring financial closures. In 1994, he promoted the MARG Group. GRK Reddy has gone beyond the conventional stereotype models of growth and has steered MARG from an EPC company to a diversified infrastructure major.

A post-graduate in commerce and alumni of Kellogg School of Management, GRK recognizes the untapped potential in infrastructure space. He envisages that “Sustainable Infrastructure” will be critical to the Indian economy, driving the second generation of reforms.

Today, MARG Group has over two decades of reassuring presence in infrastructure development and is pioneering the development of economic growth centers. MARG's portfolio spans across the infrastructure value chain - EPC, Marine Infrastructure, Logistics, Urban & Industrial Infrastructure, and Real Estate (residential and commercial).

GRK Reddy's business philosophy revolves around inclusive growth, sustainable development, and redefining the fundamentals of urbanization with a desire to give back to society through ‘holistic region development’ for a better quality of life in a neighborhood community. All MARG projects are standing testimony to this philosophy.

Being a thought leader in the Infrastructure segment, GRK has championed green technologies and innovative city & urban space planning with modernized construction techniques. GRK is actively involved with the Confederation of Indian Industry (CII), is a member of a number of prestigious committees, and is currently the President of the Indo-Australian Chamber of Commerce.

Incorporated in 1994, MARG Group today successfully operates the fully functional ‘MARG Karaikal Port’ having a current capacity of 21 MMTPA. In addition, the Group has developed 1.2 Mil sqft of residential space, delivered 1200 homes, and has a customer base of over 4000. The Group is executing 21 major projects worth more than Rs. 3800 crores in varied domains through its EPC division. Major developments include a 1.85 million sq. ft. integrated development – 'MARG Junction Mall' and a unique 23 million sq. ft. integrated industrial and services township, 'MARG Swarnabhoomi'.

MARG Group is one of India's fastest growing infrastructure organizations and is listed by Dun & Bradstreet as among "India's Top 500 Companies 2021".
