Institute of Distance and Online Learning of Chandigarh University offers 5 Undergraduate and 5 Postgraduate Courses; UGC-DEB affiliated and NAAC A+ accredited

**India, Delhi, Mar 19, 2021 ([Issuewire.com](https://www.issuewire.com))** - By adopting hybrid and technology-driven learning for its distance and online education programs, Chandigarh University's Institute of Distance and Online Learning confirmed admissions for its distance learning programs, which took place in January 2021. CU-IDOL, which is approved by UGC-DEB, offers 5 postgraduate and 5 undergraduate programs. This was advised by Dr. S.S. Sehgal, Chandigarh University Registrar. The distance education services cover MBA, MCA, M.Com., MA English, MA Psychology, BA, BCA, BBA, B.Com., B.Sc. Travel & Tourism.

"After being honored with A+ Grade by National Assessment and Accreditation Council (NAAC), Chandigarh University entered in the field of distance education in 2020. CU-IDOL garnered a tremendous response from the first batch itself as more than 2000 students took admission in its distance education programs," Dr. Sehgal said. After gaining the knowledge and skills on a long-term basis from NAAC A+ University allows you to obtain government and private jobs and also enables those who are currently employed in various sectors of economies.

The University has developed a smart technology-based learning model, which involves e-Learning tools such as video readings from business experts and academics, self-learning materials from leading institutes like IIM, NITs, personal communication programs utilizing a tailored approach mechanism, on-line submission of assignments and projects, as well as students' capacity to cater for their needs.

"The university has over 5000 e-books and over 1000 national and international e-journals that are available through the E-Library to distance education students. Furthermore, the University of Chandigarh has 14 centers of excellence and 30+ industrial laboratories from which students can improve their realistic experience of learning by visiting the University campus;" Dr. Sehgal continued. CU-IDOL gave Rs 10 Lakhs academic bursaries to 394 students in 2020 in various schemes including Jai Jawan Army and police bursaries, girls empowerment bourses, and COVID-19 Warrior Scholarships.

"Students can [sign up online for distance education programs](#) at the official website where they can also read more about the bonds provided by the University for the period January-2021 intake," Dr. S.S.Sehgal, registrar, said.

### **About Chandigarh University**

The University of Chandigarh is a NAAC A+ Category University and a UGC-approved independent educational college, located near Chandigarh, in the state of Punjab. It is India's youngest university and the only private university in Punjab to have NAAC A+ Ranking (National Assessment and Accreditation Council). CU provides over 109 UG and PG programs for the engineering, management, pharmaceutical, legislative, architectural, media, animation, hospitality, business, and other fields. It has been awarded the WCRC Best Placements University. [Learn more.](#)
