

Jasminder Kaur, DDS, a Dentist with Perfect Smiles Dental

Get to know Dentist Dr. Jasminder Kaur, who serves patients in Danville, Virginia.

New York, New York City, Mar 29, 2021 ([IssueWire.com](https://www.issuewire.com)) - Well-versed in all phases of general dentistry, Dr. Kaur is honored to offer exceptional family dentistry to patients in Danville, Virginia, and surrounding areas at Perfect Smiles Dental.

The goal of her highly competent team is to provide quality dental care in a nurturing atmosphere and to meet the needs of her patients through an understanding of their motivation and desires in order to increase their overall happiness and self-esteem. Her practice areas include cosmetic dentistry, oral surgery, endodontics, restorative dentistry, and preventative care.

“We are committed to excellence in all aspects of our practice, both in technical quality and patient service. Unique to our practice is the belief that a dentist can provide more than just high-quality dental care. We believe that we should provide total health-oriented care, as evidenced in our philosophy, which is twofold: We seek to understand each patient’s motivation and desires & we strive to provide the highest quality dental care possible” as stated on Perfect Smiles Dental’s website.

Back in 2008, Dr. Kaur graduated with her Doctor of Dental Surgery degree with honors in Esthetic Dentistry from the NYU College of Dentistry. Before getting married and moving to Virginia, she practiced dentistry in a high-volume office in Massachusetts.

With patient comfort and education as her top priorities, she keeps herself updated about the most current advancements and techniques by regularly attending continuing education courses. She is an active member of the American Dental Association.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Aside from dentistry, Dr. Kaur loves to spend precious time with her husband and sons. She speaks both English and Hindi.
