

Jeffrey Lowe, DDS, FAGD, a Dentist with Lifetime Dental Care

Get to know Dentist Dr. Jeffrey Lowe, who serves patients in Hays, Kansas.

New York, New York City, Mar 11, 2021 ([IssueWire.com](https://www.issuewire.com)) - A caring and respected dentist, Dr. Lowe is committed to providing gentle care to all his patients, using only the most advanced materials and procedures available. He practices comfortable, complete health dentistry, with a strong emphasis on personalized treatments.

Serving as the owner & operator of Lifetime Dental Care, he and his talented team offer complete health dentistry to meet the oral wellness needs of the entire family. They offer services such as periodontics, orthodontics, as well as cosmetic, implant, general, family, and sedation dentistry. They keep their focus on YOU, providing comfortable, personalized dental care in a friendly, interactive environment and achieving beautiful smiles.

Always taking the time to get to know his patients, Dr. Lowe aims to build individual relationships and is a careful listener. He takes each patient's needs into account when planning their treatment, and explains beforehand their treatment options and which service will provide the greatest benefit for their individual needs.

A Fellow of the Academy of General Dentistry (FAGD), he is a member of the American Academy of Cosmetic Dentistry, the American Dental Association, the Kansas Dental Association, the American Orthodontic Society, the Dental Organization for Conscious Sedation, the Northwest Golden Belt District Dental Society, and the Hays Chamber of Commerce.

With a solid educational background, Dr. Lowe earned his bachelor's degree in biology from Nebraska Wesleyan University and attended the University of Nebraska Medical Center College of Dentistry for his Doctor of Dental Surgery degree. He then received advanced training in sedation dentistry, full-mouth reconstruction, neuromuscular orthodontics, Invisalign®, sleep apnea, TMJ/migraine treatment, cosmetic dentistry, and dental implants.

Continuing to advance his knowledge of dentistry, he is a graduate of the Las Vegas Institute for Advanced Dental Studies, a preferred Invisalign® provider, and a fully qualified treatment specialist in TMJ and migraines.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Happily married to his high school sweetheart, Jana, Dr. Lowe enjoys spending time with their 3 children (Hayden, Jillian, and Harrison), boating, and camping.
