Essex and London-based Vie Aesthetics organises a virtual easter egg hunt with twelve luxurious prizes to be won!

With the Easter bunny hopping right around the corner, Vie Aesthetics have just kicked off their Easter Eggstravaganza early this year with a virtual Easter egg hunt competition. With twelve exclusive prizes ranging from pampering facials, memberships, and luxury products to Vie Aesthetics vouchers and the ultimate Easter Hamper (worth £200!), there will be something to everybody's taste.

To get involved in this *Eggciting* virtual event, you only need to visit the Vie Aesthetics virtual garden- their website!

The Easter Bunny has placed twelve eggs in there for you to collect- they can be found on any of the pages on the Vie Aesthetics website- www.vie-aesthetics.com. Once you've spotted an **egg icon**, send a WhatsApp message to +44 (0)7899673578 quoting the 2 words that fall either side of the egg,

e.g. "[word]egg[word]" + **your name**

and you will be entered into the prize draw. If you enjoy the hunt, why don't you set out to find all twelve eggs? Anyone can take part and enter for free as many times as they wish for more chances to win!

CEO Vicky Grammatikopoulou commented: "After a crazy year, we are taking any opportunity to give back to our clients and community and celebrate the festivities that come our way! Our Virtual Easter Egg Hunt is something fun that everybody can benefit from and from a safe distance too! We're excited for everybody to get involved!"

We will announce the winners of the twelve prizes on Easter Monday.

On your marks, eggs set, GO!
