

Kaveeta Channamsetty, DDS, a Dentist with Pearl Dental

Get to know Dentist Dr. Kaveeta Channamsetty, who serves patients in Connecticut & New York.

New York, New York City, Mar 31, 2021 ([Issuewire.com](https://www.issuewire.com)) - Treating patients of all ages, Dr. Channamsetty is a skilled dentist practicing at Pearl Dental with offices in Stamford and Trumbull, Connecticut & Mt. Kisco, New York. She is passionate about treating a variety of dental conditions as well as providing top-level care and service for her patients with the help of her highly trained team.

“We are committed to delivering the highest quality dental care and do so using advanced dental equipment. We are implant and cosmetic dentists that offer services like checkups, teeth cleaning, crowns, veneers, and more. We also perform emergency dental services that include surgical dental implants, bondings, root canals, crowns, and bridges. As local dentists, we create lifelong relationships with our patients and their families and work to ensure that they receive treatment in a comfortable and relaxed environment” as stated on the dental practice’s website.

Having dedicated her career to providing her patients with only the highest quality of dental care, Dr. Channamsetty and her team provide outstanding results for each patient with an individualized treatment plan. Her prestigious credentials and passion for bringing patients the best care make Pearl Dental the premier dental practice in the Northeast!

A University of Stony Brook Dental School graduate, she earned the prestigious Pierre Fauchard Academy Award in recognition of excellence in academics and leadership. After graduation, she received advanced training in General Practice Residency at St. Clare’s Hospital in Schenectady, New York.

Understanding the importance of education for both her patients and new dentists in the profession, Dr. Channamsetty was a proud contributor to enhancing the knowledge of residents in the Department of Advanced Education in General Dentistry at Harvard School of Dental Medicine.

In good standing with a number of professional organizations, she is an active member of the American Dental Association, the Academy of General Dentistry, Better Business Bureau, and the Connecticut State Dental Association. She is also a State Trooper Surgeon (New York).

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

From 2005 to 2019, Dr. Channamsetty has been recognized as America’s Top Dentist by Consumers’ Research Council of America. She has also received New York’s Top Doctors and Dentists Award and America’s Best Dentists Award, a recognition based on superior credentials, experience, exceptional care, and commitment to excellence.
