

Kinderwaagen Trading Releases Kinderwaagen.com - an online shopping platform which answers the growing demand for baby stroller

United Kingdom, London, Mar 22, 2021 ([IssueWire.com](https://www.issuewire.com)) - Kinderwaagen Trading, announced today the largest platform launch in company history with the release of kinderwaagen.com.

Kinderwaagen Trading has been monitoring the global baby stroller and pram market which poised to grow by USD 75.30 mn during 2020-2024 in the US only, progressing at a CAGR of almost 4% during the forecast period. As part of the retailers in the fragmented market, kinderwaagen.com is launched to answer the growing demand for baby strollers and prams that are compliant with safety regulations.

The flagship product available on the website is the Baby Tandem Stroller, which accommodates two infants safely while offering an intimate strolling experience between the parents and the babies.

As a leading marketer of infant products, Kinderwaagen handpicked the range of Car Seat Stroller available for sale on the platform, ensuring that each item has innovative car seat safety features designed to make it easier to travel and use every day.

Kinderwaagen understands the stresses new parents face, but the secure installation of their baby strollers should not be one of them. Parents and caregivers should be able to install the baby strollers correctly and easily every time with some simple clicks and pushes. This is the vision that underlies Kinderwaagen product selection.
