New York, New York City, Mar 30, 2021 ([Issuewire.com](https://www.issuewire.com)) - A seasoned prosthodontist, Dr. Stefan is the owner & operator of Manuel Stefan Dental Care in Orlando, Florida.

Since 1997, he and his staff of experienced hygienists and assistants have been creating beautiful smiles and keeping them healthy. They offer a variety of professional services for kids ages 3 and up,

including family dentistry, prosthodontics, cosmetic dentistry, a full-mouth restoration, and general dentistry.

Back in 1979, Dr. Stefan graduated with his undergraduate degree from the Faculty of Medical Sciences of the National Autonomous University of Honduras. Upon relocating to the United States, he went on to earn his Doctor of Dental Surgery degree from Emory University.

With acquired knowledge and skills to provide complete dental care, he is a member of the American College of Prosthodontists, the American Dental Association, the Florida Prosthodontic Association, the Florida Dental Association, the Dental Society of Greater Orlando, the Seattle Study Club, and the Pan-American Dental Society.

Prosthodontics is one of the branches of dentistry that deals with the replacement of missing teeth and the associated soft and hard tissues by prostheses (crowns, bridges, dentures) which may be fixed or removable or may be supported and retained by implants. A prosthodontist is a dentist who specializes in treating complex dental and facial matters, including the restoration and replacement of missing or damaged teeth with artificial devices. They are highly trained in dental implants, crowns, bridges, dentures, jaw disorders, and more.
