

Meet Prajapati's Pinkam Entertainment to Launch new breed of content in all segments.

Gujarat, Ahmedabad, Mar 30, 2021 ([Issuewire.com](https://www.issuewire.com)) - Everything you have seen till now in the name of entertainment is about to change. New Era of Entertainment is on arrival, Motion pictures have been part of society for a while now and plays a critical role in developing a better tomorrow and shaping the future, according to Meet Prajapati, the C.E.O. of Pinkam Entertainment. He's been in the entertainment industry for a while now, He started pursuing his dream at a very young

age. I want to make cinema that moves people and forces them to re-think the way this entire world works, I want them to see the world as I see from my eyes and the best way to do that is by making films, Says Meet Prajapati.

Now, Let me tell you some great thing this very young gentleman has achieved at a very young age, technically at which age most guys stills start their careers, Meet is taking his career to new heights under the Production company he found himself Called Pinkam Entertainment, which is named after his parents. My parents are the reason I am wherever I am today so entire credits go to them, he says. Pinkam Entertainment has an enormous profile, a body of work that is as remarkable as the thoughts of Meet Prajapati. Pinkam Entertainment has successfully managed to pull off some big projects with very well-known companies like Hungama Play, MX Player, Ultra Bollywood, B4U and Zee Music. They have produced some very amazing music videos like Tik-Tok Ni Rani, Beech Bajariya, Diwangi, Tiranga, Ishq Tera Makhmali and Mahi Ve.

They produced an amazing and moving short film named Necklace which is available on Hungama Play to stream. They are currently working on some big projects with few very well-known faces of the Entertainment industry which will be releasing on very popular OTT platforms and some are for Silver Screen as well.

Also, They are about to enter in International Film Festivals with their upcoming Short film named Toska, So be ready to witness the revolution of the film industry because over time Pinkam Entertainment has proved that once they decide to do something, they only stop after achieving it, And that's all under the leadership of the Youngest Producer of the Film Industry, Meet Prajapati.

All of these ideas floating in my head all the time, I want to turn them into reality. It's just the beginning of new times. A small town boy coming into this industry with big dreams and achieving them might seem a little hard but not impossible and I am going to prove it at any cost, not just for me but for everyone who has dreams like me and are hesitating to pursue them, I want to tell them that it's possible so don't give up, says Meet Prajapati and ends the interview.
