**Florida, Miami Beach, Mar 9, 2021 ([Issuewire.com](http://www.Issuewire.com)) - Juicy Burgers Restaurants Miami Kendall Restaurant Opening March 2021 Limited time offers contributing to double-digit sales growth - Franchise Restaurant Opportunities**

Las Vegas, NV - the craft casual concept known for its premium quality burgers, humanely raised Black Angus beef burgers, wings, specialty appetizers, and one-of-a-kind fried chicken sandwich creations – making its Miami Kendall debut the first weekend in March as the second restaurant location in South Miami, Florida. More locations are planned throughout South, Central, and Northern Florida.

Located at 9135 SW 162nd Ave, Suite 104, Miami, FL 33196 Telephone: 785 536 2056 Juicy Burgers is famous for Signature Burgers like its 1/3 & 1/2 Pound Burgers, like the Bacon Avocado Burger, Cowboy Burger, and the sure-to-be-popular Hangover Burger, which includes french fries, fried egg, cheddar cheese, avocado, bacon, and ketchup. Signature Buffalo Wings are delicious and also the appetizer menu includes a great selection of unique items such as Cheese Curds, Yuca, and Sweet Potato Fries. Craft Beer from local Breweries paired with your favorite Build Your Own Burger. Cookie

and Brownie Desserts are delicious, including the best-tasting Milkshakes. They even have a great Kids Menu so bring out the whole family.

And if you want to branch out from burgers, that's OK, too. You can order a hot dog, and there are chicken options, like the Hawaiian Chicken Sandwich with teriyaki sauce, grilled pineapple, and pepper jack cheese. Or you could try the signature chicken wings, which come in six flavors, including Sriracha, angry buffalo, garlic Parmesan, and mango habanero.

"With many of the country's food restaurants closed or facing dine-in restrictions, Juicy Burgers is pleased to offer consumers a variety of popular burger and wing options," said National Franchise Director Melissa Santos. "Whether guests enjoy them in our dining rooms that are open or take them home, our burgers and wings are the best dinners enjoy either way".

At Juicy Burgers Restaurants, we never do things the boring way; we never will. Our hamburgers are "hot, fresh, and custom". They are very tasty and flavorful and slightly addicting. Our hamburgers are made all day long in our restaurants, food trucks, and retail stores so they're always hot and fresh—you can even see them being made. They are custom-designed and loaded with the freshest ingredients and sauces at our customers' request. Our menu toppings are proprietary and each hamburger is custom created right in front of you. With our unique toppings and sauces, the combinations of your custom hamburger are virtually endless.

Now in its 43rd year, Juicy Burgers Restaurants is America's Burger! Known for its All American Food, as well as Craft Beer and premium burgers, wings, and appetizers. Franchising began in 2017 with continued new franchise restaurant growth planned across the country.
