

Michael J. Barbieri, DDS, a Dentist in Private Practice

Get to know Dentist Dr. Michael J. Barbieri, who serves patients in Mamaroneck, New York.

New York, New York City, Mar 1, 2021 ([Issuewire.com](https://www.issuewire.com)) - Skilled dentist Dr. Barbieri practices a full scope of general and cosmetic dentistry with expertise ranging from porcelain veneers to dental implants, crowns, and bridges. He works alongside Dr. Douglas Sheahan at his private practice in Mamaroneck, New York.

Their mission is to help patients live healthier lives. They provide a caring, nurturing environment where

comfort and health are of primary importance. They also make every effort to calm the fears many patients have about going to the dentist by providing outstanding patient care and professional quality service to put them at ease.

Throughout his academic career, Dr. Barbieri received his undergraduate degree at the University of Notre Dame. He then continued to Columbia University College of Dental Medicine where he received his Doctor of Dental Surgery degree in 1981.

Offering more than four decades of conservative and caring dentistry experience, he can correct a wide variety of so-called permanent cosmetic dental problems, and can literally redesign one's smile. He is perhaps best known for his exceptional ability to provide the highest level of dental care in a relaxed, pain-free environment.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
