

Mr.Pawar Music The Passionate Upcoming EDM Producer Of India

Maharashtra, Navi Mumbai, Mar 3, 2021 ([Issuewire.com](https://www.issuewire.com)) - Mehulkumar Pawar well known as Mr.Pawar for his passion for music. The Indian EDM (Electronic Dance Music) producer, like to produce House Music i.e Progressive House, Future House, and also Future Bass, Trap, Hip-Hop.

Mehulkumar was born on the 12th of November in 1998 in Navsari, Gujarat, India. All the journey of his

passion begins in 2012 when his dad Nandu Pawar bought him a Computer. The first time he heard a western EDM song from Avicii when he released his latest global hit song Levels. Mr.Pawar got inspired and started hearing songs from EDM producers. In mid-2013 he started learning Music Production. As for practice, he started making Bollywood remixes where he kept learning.

In 2015 he completed his secondary education (10th) in Gujarat and went to Maharashtra to complete his Higher Education and Graduation. From 2015 to 2019 he had a break from his music production in 2020 due to the Covid-19 pandemic he got lots of time to make music and till mid-2020 he released two original EDM IDs. He also had a collaboration with his rapper friend and released 3 rap songs.
