

Neighbors Link Community Law Practice Releases Free Info Video on U.S. Citizenship Act

FAQs are answered by Immigration Attorney Mayha Ghouri

New York, Mount Kisco, Mar 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - “On January 20, President Biden introduced the U.S. Citizenship Act of 2021. If passed, this act will provide respite for millions of people and would go a long way towards reforming America’s broken immigration system,” says immigration attorney Mayha Ghouri, in an information video released by Neighbors Link Community Law Practice.

There are three main sections of the bill. It will:

- Provide pathways to citizenship and strengthen labor protections
- Prioritize smart border controls
- Address the root causes of migration

In response to the many questions people are asking about this bill, Neighbors Link created a concise, three-minute information video designed to provide an overview of the bill's essential provisions. The video is free to view and may be accessed on the Neighbors Link YouTube channel by clicking on this link — [Citizenship Act Video](#).
