

NewComm Global Wins Spot On 2021 Think Global Forum Awards Shortlist

Distinguished Global Business Success Firm from the Inside Out Recognized

California, Mountain View, Mar 11, 2021 ([IssueWire.com](https://www.issuewire.com)) - The NewComm Global Group, Inc., an international management consulting firm specializing in Global Business success, has secured a spot on 2021 *Think Global Forum Awards* Shortlist in the Professional Services category. The award is one of a series granted annually by the Dublin, Ireland-based Think Global Forum, an international community of industry experts, speakers, participants and executives.

The NewComm Global Group's place in the Professional Services category acknowledges its 25 years of successes in both Emerging and Primary Markets, made possible by its commitment to advising companies and empowering professionals in the Tech and Services sectors to lead and thrive globally. Together with its Global Business Primers, Entrepreneurship Training, Full and Two-Day Workshops and Advisory Services, NewComm Global's Go-to-Market strategies guide businesses to establish and embed market leadership worldwide and develop individual global leadership capacities and skills. Currently, its monthly webcast, ["Staying Global While Staying Home"](#), informs Global Business professionals with valuable insights on effectively navigating the challenges of unprecedented pandemic conditions. The *Think Global Forum Awards* will be presented in April.
