

Now this is your one stop solution for hair extensions & wigs in Delhi

“Hair Extensions Castle”

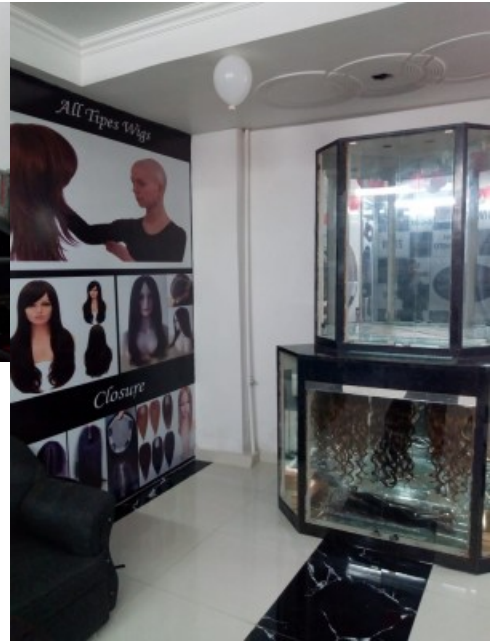

India, Delhi, Mar 6, 2021 (Issuewire.com) - When it comes to hair problems, we tend to look for hair experts who can fix it. If we are looking to get the most trending hair style, we look for hair stylists who can get that done. The demand is always on. When it comes to hair extensions and wigs, we look for 100% virgin human hair and industry experts who can do it for us. This is what Hair Extensions Castle promises to give, the best products & services for its customers.

[Hair Extensions Castle](#) is located in the heart of Delhi (India) where this luxurious salon welcomes all its customers. It offers permanent hair extensions, micro ring extensions, tape-in hair extensions, [clip-on hair extensions](#), toppers, medicated hair wigs, men's and women's hair patch, fashion wigs and extensions, closures and frontals etc. The hair experts also provide special care and treatment to Chemo patients. The hair replacements are non-surgical in nature.

The founder of Hair Extensions Castle, Sapna Rajput, carries a decade of experience in the Industry. She says the hair extensions and wigs market is growing at a tremendous speed due to its acceptance in the entertainment and fashion industry. Both Hollywood and Bollywood are taking advantage of the sophisticated techniques through which hair extensions and wigs replacement are done.

The team said they also manufacture hair products and supply them to retailers which in turn helps them in a big way to expand their services. Visit our website to know more.
