New York, New York City, Mar 31, 2021 ([Issuewire.com](https://www.issuewire.com)) - [The block. Agency](https://theblock.agency) today announced WilliamsXAbloh unreleased 000 skate deck and NFT pair.

Back in August, the two collaborated on a 1/100 limited edition WilliamsXAbloh skate deck which features a simple black co-branding, noting Williams and Abloh's collaboration, and a full camo print on the bottom. The design was drawn by Abloh himself and features black DGK branding dotted throughout the deck, and individually numbered 1-100.

The two are at it again, and in classic form making a new path of their own by dropping a 1/1 NFT and matching physical skate deck which will include a previously unreleased version of the WxA deck which sports a 000.

"We're extremely excited to have Stevie Williams lead the charge on our rollout of several more high-profile artists, athletes, and celebrities. By adding a real-life version of the NFT with a physical 1/1 collectible brings the real-world feel to a digital experience," says Doug Messer, CEO at [TheBlockAgency](https://TheBlockAgency.com).
