Vietnam, Thanh Pho Ho Chi Minh, Mar 3, 2021 ([Issuewire.com](https://www.issuewire.com)) - Park Hyatt Saigon is honoured to be chosen as one of the Best Hotels in Asia by Travel + Leisure magazine's list of top 500 hotels of 2021. Acclaimed as the top-tier travel publication covering reviews, news, guides and tips, Travel + Leisure is well-known as one of the most popular travel publications in the world. Drawing on the results of its 2020 World's Best Awards survey, Travel +Leisure recognised the 500 best hotels around the globe in a list released last week. Winners were chosen by a vote of the publication's millions of readers in its annual Travel + Leisure 500 award franchise.

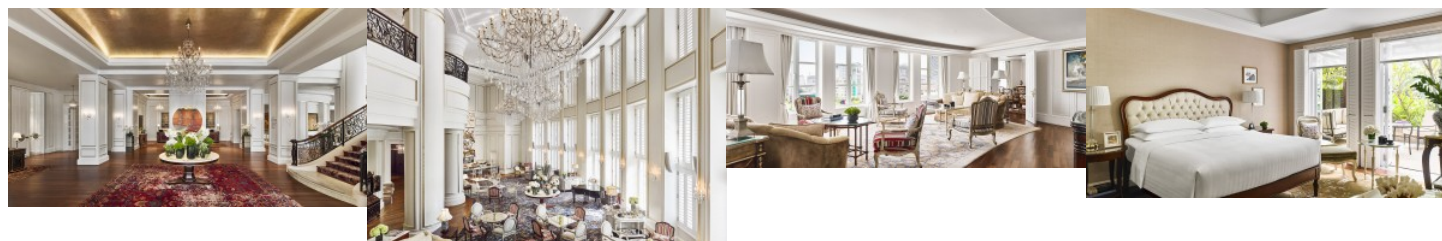

"As the travel industry confronts unprecedented challenges, resorts, hotels and safari lodges around the world are rising to meet the moment, acting as beacons of resilience and hospitality for both guests and their local communities. For this reason, we've decided to bring back the iconic Travel + Leisure 500 — an illustrious list that recognises the 500 best properties in the world, as chosen by you, our discerning readers." shared by Travel + Leisure when announcing the Top 500 List.

"Of this marvellous recognition, we would like to express our sincere gratitude to those who voted for The Park. This is truly the greatest encouragement that will push us to continue becoming a safe haven and the ultimate luxury comfort spot of Asia," says Frederic Boulin, General Manager of Park Hyatt Saigon. "We would like to thank all of our valued guests who have supported our hotel for the past

years. We will continue our efforts to ensure all our guests have a comfortable and exceptional experience.”
