

Pharambara Ppokkisham & SR Manjula Shreenivaasan Conducted the FIRST DIRECT CLASS ON FLOWER MEDICINE in Chennai

SR Manjula Shreenivaasan conducts Pharambara Ppokkisham's First Direct Class on Flower Medicine happened on March 6th & 7th in Nungambakkam, Chennai

Tamil Nadu, Chennai, Mar 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Pharambara Ppokkisham a leading training establishment in the field of Flower Medicine has conducted more than a dozen Training in 2020 alone for the aspiring students in the Field of London Edward Bach Flower Medicine/Therapy. Even though all the previous classes are conducted online, Pharambara Ppokkisham management wanted to start the Direct classes post-Covid now in 2021. The founder / Chief Expert Trainer Madam SR Manjula Shreenivaasan conducted the First Direct Class in Nungambakkam Chennai following all government SOP Protocols.

Selected Individuals for the training witnessed world-class pedagogy and training techniques in the field of Flower Medicine. The first day was catered through the Theoretical explanation of 38 Flowers, while the second day, the students and trainer indulged in deep discussion on case studies. In a First of its kind, Pharambara Ppokkisham along with SR Manjula Shreenivasan has designed a training methodology that is world-class and premium.

The second day also saw Certificate Distribution Session. The following people were given the Certificate of completion (Anu Kavitha, Lakshmi Geetha, Leela, Sivasakthi, Sharada & Sathish Sampath)

"It's a moment of pride, as we launch our Direct class. We've always wanted to get active again, and Flower Medicine is one field where we train individuals techniques on Flower medicine, which they use to keep themselves Healthy" - said SR Manjula Shreenivaasan, Chief Expert Trainers - Pharambara Ppokkisham

" We are blessed to have a teacher like this, We are so humbled seeing the experience of Madam Manjula" - Sharada explained as the experience post this event. Pharambara Ppokkisham and SR Manjula Shreenivaasan have designed various other courses related to Flower Medicine like Malarodu Urayadu (fortnightly research class on each Flower) and an Interesting Quiz for in-house named "yaar Andha Devadhai". Their Office is in Raahat plaza, Vadapalani. This training institute can be reached through their phone number +91 - 8489682995
