Prestige Jindal City is also close to major areas like Yeshwantpur, Rajajinagar, Malleshwaram, Hebbal, Dollars Colony and other major localities in the city. Travelling is convenient with the airport less than an hour away and the proposed Peripheral and Outer Ring Roads offering quick access to the highways.

Prestige Jindal City is 3,571 smart-sized housing units, built on 32 sprawling acres with a host of amenities, close to everything you need. It's also one of the most connected projects in the city. Being close to major arterial roads makes reaching business hubs like Central Business District, Peenya Industrial Zone, Manyata Tech Park, BEL, HMT & Electronic City, entertainment & shopping centres & hospitals much easier. The metro station attached to the project also provides express connectivity to North, East, West and South Bengaluru.
