

Revolutionary Fashion Photographer Marco Traniello Offers ‘Smack Kiss - A Kiss From Hell’ Exclusively on Mintable.app

‘Smack Kiss’ is another product of the magical photographic work of Marco Traniello from Italy.

California, Los Angeles, Mar 31, 2021 ([IssueWire.com](https://www.issuewire.com)) - ‘Smack Kiss’ is a breath-taking image from prominent fashion photographer Marco Traniello. This image is an NFT that is being sold exclusively on <https://mintable.app/art/item/Smack-Kiss-A-kiss-from-hell/EpyUguzJoDmUNvQ>. The alluring and seductive nature of this perfectly captured image makes it obvious why Traniello also refers to this image as “A Kiss From Hell”.

[Marco Traniello](#) was born in Italy but now resides in the United States. Marco has a history of excellence and being an over-achiever. As a result of this attitude, he has excelled in every field he has ever ventured into. Now, Marco is forging the way as one of the first fashion photographers to sell images on the blockchain.

[Mintable.app](#) makes this ambition of Marco possible. This platform is an online marketplace where artists and creators of all types can buy and sell digital items on the blockchain.

About Mintable

Mintable is a marketplace that supports the creation, listing and sales of digital assets such as NFTs. Aiming to empower contemporary artists and creators to get due recognition and rewards from their work, Mintable is built on a decentralised, peer-to-peer model. The platform is easy-to-use with an intuitive UI, and users can easily browse, mint or sell their tokens without any prior knowledge of coding. Founded in 2018, Mintable is built on and secured by the Zilliqa and Ethereum blockchains. In 2021, renowned venture capitalist and television personality Mark Cuban announced a significant investment to help scale this promising dapp, which has sold and auctioned works by prominent global artists, musicians and entrepreneurs.
