Get to know Dentist Dr. Ronald Grycko, who serves patients in Cincinnati, Ohio.

New York, New York City, Mar 6, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Grycko takes pride in practicing cosmetic and restorative dentistry at Grycko Dentistry of Blue Ash in Cincinnati, Ohio. He enjoys creating healthy smiles, one patient at a time, offering services such as dental hygiene, implants, endodontics, pediatric dentistry, periodontics, oral surgery, night guards, TMJ treatment, and more.

His patients have excellent things to say about him, one stating “Just wanted to write to let you know that you are the best dentist I have ever had. Your skill at performing dental work is second to none and your pleasant disposition is always appreciated. I was not at all pleased with the previous four dentists I had gone to before I began with you. Just wanted to let you know that you are a fantastic dentist and it is appreciated.”

Academically, Dr. Grycko received his Bachelor of Science degree in Biology from the University of Cincinnati in 1983. He then attended The Ohio State University College of Dentistry where he was awarded his Doctor of Dental Surgery degree in 1987. After he obtained his dental degree, he attended the University of Texas for a residency in advanced dentistry, completing his training in 1989.

Certified through the American Board of Dental Public Health, he is a member of the Ohio Dental Association, the Academy of Laser Dentistry, the Cincinnati Dental Society, and the American Dental Association.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
