

Sam Akmakjian, DDS, a Dentist with Long Grove Dental

Get to know Dentist Dr. Sam Akmakjian, who serves patients in Long Grove, Illinois.

New York, New York City, Mar 1, 2021 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Akmakjian started off young and has been practicing dentistry since 1984 in Long Grove, Illinois. The Founder of Long Grove Dental, he is committed to providing top-quality dental care and is devoted to keeping personal “comfort” in mind.

Long Grove Dental is a full-service practice, which provides all phases of dentistry to help accommodate patients’ dental needs in a friendly and relaxed environment. Services include comprehensive dental care, restorative care, implant dentistry, endodontic treatment (root canal therapy), porcelain crowns, fixed bridges, dentures (full or partial), oral surgery (gum surgery and wisdom teeth extractions), orthodontic treatment (braces), and cosmetic dentistry including in-house bleaching (BriteSmile™).

Having earned people’s trust and admiration for his extraordinary talent in dental care, Dr. Akmakjian works alongside his son, Dr. James Akmakjian, bringing art and science together to improve the lives of patients. The dental-duo combine their artistic backgrounds with knowledge of up-to-date technologies relating to all aspects of dentistry.

After graduating as Valedictorian of his high school class, Dr. Akmakjian attended Northwestern University, completing his bachelor’s degree. He then went on to earn his Doctor of Dental Surgery degree from Northwestern University Dental School in 1984, where he served as Class President.

Furthering his education, he completed advancing training, including dental implant surgery residency maxi course, advanced implant symposium, perio surgery advanced course, a dental implant for the advanced practitioner, and advanced bone grafting seminar.

An Associate Fellow of the American Academy of Implantology, Dr. Akmakjian is a member of the American Dental Association, the Chicago Dental Society, the Illinois State Dental Association, and the American Orthodontic Society - Continuing Education Member.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Among his various honors, Dr. Akmakjian received recognition from the Consumers’ Research Council of America and was presented with the “America’s Top Dentists Award” for his extraordinary dental care. He was also named one of “Chicagoland’s Leading Dental Professionals” by Chicago Magazine (2005, 2006) and presented with the National Leadership Award.
