

Semitech India Automation Pvt Ltd Signs MediaMetrics as its Global Business Growth Partner

Semitech India Automation & MediaMetrics signs Global Business Growth Partnership Deal

Tamil Nadu, Chennai, Mar 9, 2021 ([IssueWire.com](https://www.issuewire.com)) - Semitech India Automation Pvt Ltd signs MediaMetrics as its Global Business Growth Partner on 8th Feb 2021 for a 3-year contract. While Sharing this news the Management of Semitech Announced its first-ever contractual assignment for Business Development post Company formation. "We are one of the pioneers in Designing/Implementation of Automation control systems primarily in Pre-FAT, FAT, SAT, Pre-Commissioning, Startup & Commissioning. We have done successful project deliveries in many countries, this partnership move is primarily targeted to expand into untouched territories" said MS. Sulochana, Director of Semitech India Automation Pvt Ltd.

"This Partnership is very special as post-Covid, such collaboration is the way to go. With our experience and award-winning expertise to grow the business globally, This partnership with Semitech India Automation Pvt Ltd will give both companies to have a good working space in the modern post covid situation" Mr. Sathish Sampath, Managing Partner - MediaMetrics

By announcing this partnership Both companies have agreed to work together to boost the services globally with full support to each other's team.
