Tennessee, Nashville, Mar 21, 2021 (Issuewire.com) - Affinity Publishing Group, Inc., Murfreesboro's 1st Music Publisher, will launch The Dusti Roads Show on March 28, 2021, on Channel 2 WKRN Nashville. Remember when you were a child, you would go with your parents after church to visit aunts and uncles and grandparents? A boring Sunday afternoon and the kids outside playing while the grown-ups were inside watching TV and talking, The Dusti Roads Show captures that tranquillity with interesting people and places as only Country Music Singer, Dusti Roads can. God has gifted Dusti with the "Oil of Joy" and has tasked her with sharing that joy with the world. The purpose of the show is to help the viewers get back to basic life as in the old days before reality TV, volatile politics and tabloid exploitation of the news. The point of the show is to be boring and be a TV show viewers can watch to get away from the chaos of the world and for a few minutes, focus on nothing yet enjoy a variety of down-home conversations...just like grandma used to have with family after church on Sundays." quipped Anderson. The 1st show will feature Dusti's unique perspective on Murfreesboro, TN.

The Dusti Roads Show will feature key Affinity Publishing Group singers and songwriters like Betty Jones, an 82-year-old grandmother from Murfreesboro. Affinity will be releasing Mrs. Jones's song and video "Climbing Faith Mountain", performed by Josh Leonard, on the show. She burst into tears when Anderson told her the song would be released. "God told me to bring these to you," said Mrs. Jones as she burst into tears. The show will also feature the official release of "Soul Of A Woman" written by Bryan Touney & Angela Anderson, as well as other great guests like Murfreesboro's own Work In Progress Quartet to celebrate the "Heart Of Murfreesboro" episode of The Dusti Roads Show. The show will air on WKRN Channel 2 Nashville on March 28th and April 4th from 3:00 - 4:00 am and will also be streamed on Youtube and Vimeo.

Affinity Publishing Group, Inc. is celebrating 20 years in business with a re-launch of the corporation and the corporation's registered businesses and products: Honky Tonk Network, Xcelsius Music (BMI), Xcelsius Media, Affinity Ministries, and Tape To DVD Treasures. The corporation is a Tennessee Corporation and has begun the process of filing as a Foreign Corporation in Florida. Anderson relocated to The Villages, FL in 2017 and purchased a home in Summerfield, FL in 2019. "Tennessee will always be home for Affinity. It is our plan to operate in both states," said Anderson.

Affinity became Murfreesboro's 1st music publisher when the company had to request the Rutherford County Chamber of Commerce to create a music publishing category in the directory. The Chamber wanted to place the company in the book publishing category. They stated, "It will be the only company listed in the "Music Publishing" category. And the Chamber cannot have only one company listed in a category." After considerable pressure from Anderson, the RC Chamber created "Music Publishing" as a business category and Affinity became Murfreesboro's 1st Music Publisher listed in the Rutherford County Chamber of Commerce. With the new re-launch of its companies, Affinity is also a BMI Publisher under Xcelsius Music.

The Dusti Roads Show will air on March 28, 2021, from 3:00 am to 4:00 am.
