Illinois, Chicago, Mar 19, 2021 ([Issuewire.com](https://www.issuewire.com)) - **The F-You's** unveiled their new full-length instrumental **F U 2** today in partnership with **Beatmonstas Entertainment**. **F U 2** is a humorous 12 track collection that comes out with slinging grimy beats and a song featuring vocals from the late Chicago rapper **Henny B**. On this record the duo blend humor with grimy beats, a sound that has earned them attention since their 1st album and refined it, resulting in arguably their strongest record to date. You can stream or purchase the album on [Bandcamp](#), [Spotify](#), [iTunes](#), etc.

F U 2 is built around the ole saying with the middle finger using beats as the catalysts. It marks a new chapter for the duo, as the first release on the boutique record label Beatmonstas Entertainment, and serves as a boom-bap ode to the middle finger.
