

Timothy M. Holt, DO, an Emergency Physician with St. Joseph's Hospital

Get to know Emergency Physician Dr. Timothy M. Holt, who serves patients in Tampa, Florida.

New York, New York City, Mar 26, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Holt is a board-certified emergency physician at St. Joseph's Hospital in Tampa, Florida. He treats a wide range of acute conditions or injuries in an emergency room.

Founded as a mission by the Franciscan Sisters of Allegany, St. Joseph's Hospital has served the health care needs of Tampa since 1934. SJH strives to be a regional leader in medical excellence by improving the health of the community through accessible, compassionate, and family-focused health care services. It is the largest not-for-profit health care provider in Hillsborough County and is known for its advanced medical technology and surgery. Its Centers of Excellence include the Cancer Institute and Heart Institute.

In his local area, Dr. Holt is affiliated with St. Joseph's Children's Hospital, St. Joseph's Hospital-North, and St. Joseph's Hospital- South.

Academically, he graduated with his Doctor of Osteopathic Medicine degree from Des Moines University College of Osteopathic Medicine in 1993. He then went on to perform his residency at OhioHealth Doctors Hospital in Columbus, Ohio.

With over three decades of experience, the doctor is board-certified in emergency medicine by the American Osteopathic Board of Emergency Medicine (AOBEM). The AOBEM is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of acutely ill patients with advanced cardiac life support, trauma, and the management of other life-threatening medical issues (emergency physicians).

Among his professional affiliations, Dr. Holt is a member of the American Osteopathic Association, the American College of Physician Advisors Inc., the American College of Osteopathic Emergency Physicians, and the Florida Osteopathic Medical Association.

Emergency medicine, also known as accident and emergency medicine, is the medical specialty concerned with the care of illnesses or injuries requiring immediate medical attention. An emergency physician is a physician who works at an emergency department to care for acutely ill or injured patients. They care for unscheduled and undifferentiated patients of all ages.
