

Tom Keller Has Come Up With a Luscious Confection of Impressive Rock Ballads with Touches of Class

The very talented Tom Keller has lit up the ambiance with impressive pop-rock vibes. The stunning numbers have created moments of bliss with melodic embraces.

Blaubeuren, Mar 17, 2021 ([Issuewire.com](https://www.issuewire.com)) - The artist, **Tom Keller** has made the cash registers ringing with his latest rock ballads. He has churned out an exquisite melody in the songs '**Down by the Riverside**', '**Save My Life**', and '**Where Are You Brother**'. The last couple of tracks belongs to his 12-track album '**Where Are You Brother**'. The artist belongs to Bissersheim in Germany and he

is instrumental in dishing out master class performances. The deft composition in the tracks and the finely calibrated lyrics have paved the way for some eclectic stuff. The shared updates are available on his [Instagram](#) and [Facebook](#) profile.

The song, **'Down by the Riverside'** has a likable level of softness. The splendid tracks, **'Save My Life'** and **'Where Are You Brother'** have a lyrical backbone with melodic captures. The artist, [Tom Keller](#) has etched out subtle musicianship. He has lost his mother very early in his life and it has created a huge void. The pain arising from the sad incident has made his tracks emotive with a downpour of soulful emotions. He is carrying the legacy of music forward as he is the son of a well-known singer and organist. He also has shown incredible prowess in playing percussions and piano. One can enjoy his numbers on [Spotify](#) and [YouTube](#).

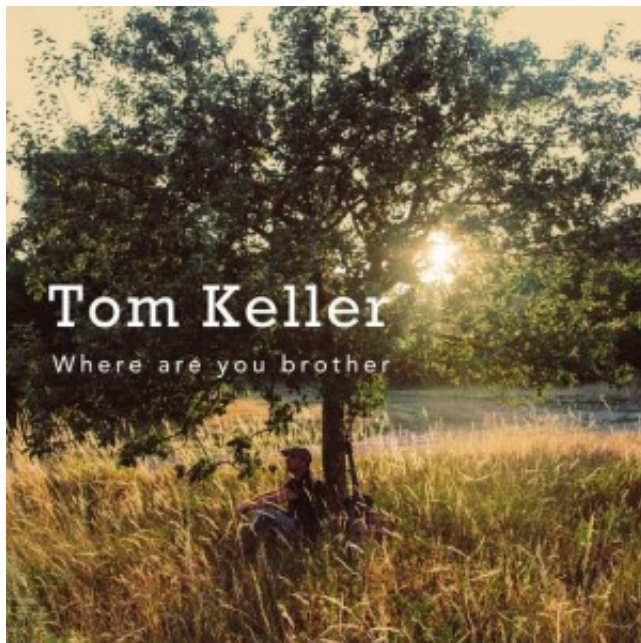

A brilliant vibe is etched out by the singer in all his tracks. He loves to take center-stage of live performances and he is bug-bitten by the likes of Coldplay, U2, and Beatles. The free-spirited singer loves to spend time in the rocking boats on the island of Crete.
