Treasure and Shipwreck Recovery, Inc. (**BLIS**) is a treasured company built on decades of shipwreck recovery and experience. Operations will be very streamlined, so SGA expenses will be very limited. All recovery work is being done with existing permit holders as contractors to carry out the work, as well as new sites with partners. The **BLIS** gaming division is more independent and will be done outside of recovery and asset acquisitions of treasure from many sources, to build assets, sell some, and keep much for the company's own holdings. The **BLIS** goal is that 80% of all monies are used for operations, equipment, etc. for actual search and recoveries.

**BLIS** has a very attractive share structure with under 9 million shares outstanding, of which 7 million are held in control holdings and restricted to insiders, and less than 1 million are free trading, in limited deposits. **BLIS** management intends is to keep its share structure at 15 million or below for the next 2 years.

Additionally, **BLIS** has no convertible debt. Currently, operations are being funded through the current money raise for operations and for the gaming division in two separate segments. This is well underway for wreck explorations throughout the whole dive season of 2021. With a 71 foot mothership, and other dive boats **BLIS** has financial coverage for operations. **BLIS** may raise capital for overseas recoveries in certain undisclosed areas, but not via convertible debt as other companies normally do.

**BLIS** has numerous revenue routes. One is to keep many artifacts and treasures as assets, to be shown in a planned **BLIS** location and museum. **BLIS** has already gathered significantly recovered treasure. Second is the sale of treasure and artifacts through certain auction houses and arranged product sales for coins, etc. The third is private collector sales. Fourth is roadshow and museum show fees. Finally, holding rights to television and future gaming development. Currently, **BLIS** has many assets recovered, and under holdings.
