

Warren J. Gallimore and Austin Leeds Creates a Sensation with their New RnB and EDM Songs Featuring Emarie

The 20-year experience of seasoned American musician Warren J. Gallimore pays off in his most recent versatile collection with Austin Leeds and singer Emarie.

Atlanta, Mar 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Established singer-songwriter from New York [Warren J. Gallimore](#) has joined forces with talented fellow musician [Austin Leeds](#) for his recently released single **'I Just Wanna Tell You'** featuring gifted singer **Emarie**. Inspired by the thematic beauty of different rhythmic elements of various musical forms, he has blended some of the hand-picked elements together in this successful experiment. The colorful mix of the symphony has been appreciated by the music-lovers globally. The soulful singing by the featuring artist creates a serene ambiance. It gives the listeners a sense of comfort. The EDM version of the song with the same name is more polished and attractive in terms of rhythmic versatility.

Born into a Jamaican family, the born-talented artist grew up surrounded by diverse musical influences. Deriving inspiration from them he began his musical journey at a very young age. He soon started performing covers of the famous songs from iconic groups like New Edition, The Jackson 5, The Jets, and 5 Star. He has come a long way from his initial days. He has finally found his ideal sound in combining various musical styles under one roof.

The brilliant performer is currently working with the renowned label Survival Crew Records, Inc.

Under their guidance, **Warren J. Gallimore** has released two wondrous melodies on popular streaming platforms. The track '**I Just Wanna Tell You**' and its EDM version with fellow artists **Austin Leeds** and **Emarie** have put him on the A-list in the industry. Listen to the songs on Spotify.
