

Wessex Distillery & The SEO Works Raise a Glass

United Kingdom, South Yorkshire, Mar 23, 2021 (Issuewire.com) - Multi-award winning [SEO Agency](#), The SEO Works, has been chosen to manage the organic search strategy for Wessex Distillery – an artisan gin maker.

With a huge amount of pedigree in the spirits industry, the family-owned distillery is looking to supercharge its online growth.

Winners of Search Agency of the Year 2020, The SEO Works, will look to develop and grow the businesses presence online through a complex organic SEO search strategy. This will help solidify the reputation of the award-winning gin in what is an extremely competitive market.

Chris Clark from [Wessex Distillery](#) said:

We were looking for an agency that could give us the digital presence our gin deserves. Having won multiple awards for the craftsmanship, we are looking to carry that into our online brand – The SEO Works were the perfect choice for this. We are looking forward to seeing what they will achieve for us, and are very excited to work with such an established agency.

Alex Hill, Sales Director at The SEO Works, added:

This is a very exciting partnership for us – the family behind Wessex Distillery have an amazing history in distillation, and their products are very exciting. We love helping businesses grow that we feel are at the forefront of their industry, and Wessex Distillery definitely fit that description!

With more people than ever looking online for their purchases and rapid growth in the luxury spirits market, the quality of Wessex Distillery gin combined with a comprehensive search strategy from The

SEO Works is certainly a recipe for success.
