

X Savage Drops a Booming New Track 'For The Streets' Featuring Pummeling Beats and Soaring Lyrical Wordplay

Upcoming hip hop artist X Savage pours his hearts out into creating his lyrically rich and rhythmically refreshing rap banger 'For The Streets' featuring WM Dro.

Chicago, Mar 2, 2021 (Issuewire.com) - Hip hop is the ultimate genre that provides ample opportunity for musicians to express their genuine thoughts and emotions in an artistic way. Rising hip hop artist [X Savage](#) has stepped into the rap game recently producing highly energetic and creative musical pieces. Joining forces with fellow artist **WM Dro**, the brilliant artist has released another banging hip hop number '[For The Streets](#)' on the popular streaming platform of YouTube. The audio track opens with smooth instrumental beats and some dynamic vocal samples. It soon escalates to a more exuberant flow merging flawlessly with the hard-hitting rap verse. His deep and potent vocal performance creates a powerful jam that makes the track an example for contemporary artists.

Growing up with a lot of hip-hop influences around him in Canada, the gifted rapper and music-maker developed a passion to convey his thoughts and feelings through eloquent rhyming. He started rapping at a very young age and always embedded newer elements and styles into his rhyming

techniques. He has been exploring musical elements from other genres to make his music a lot more versatile and universally acceptable. But at the same time, he does not stride far away from the roots. After years of hard work and practice, he has established a soundscape that achieved a perfect balance between old-school resonance and modern hip hop rhythms. He has gained quite an attention in his hometown with his unique rhyming techniques that help the audience find solace from their difficulties.

Working independently, the young and talented rap artist utilizes his boundless imagination and creative artistry to paint a vivid picture of real-life situations. The listeners are bound to relate to his creations. His recently released single '**For The Streets**' featuring **WM Dro** offers a glimpse of his dynamic storytelling ability that is revealed through his penetrating vocal performance. **X Savage** has used the right amount of conventional rap patterns and modern hip hop beats to form an acoustically flawless masterpiece. His other songs such as 'No Remorse', 'No More', 'Drawing Symbols' and 'Last Words' are widely popular in the hip hop community. Follow him on [YouTube](#) for more updates.
