

24 years old Indian Guy "Arpit Raj" all set to open Chaai Seth in Bangladesh too

The handsome Indian entrepreneur has 3 startups in India

Bangladesh, Dhaka, Apr 11, 2021 ([IssueWire.com](https://www.issuewire.com)) - The Chai everyone Love To Have- Arpit Raj Looks to map Chaai Seth in Bangladesh too!

There are two paths to success. One is well constructed and the other one you have to make your own. Both are not easy, but those who build their own paths are the ones whose success becomes inevitable. Today we bring You an Inspiring story Of Arpit Raj who at the age of 24 has already surprised many in the field of entrepreneurship.

24 years old smart Indian Guy "Arpit Raj" owns 3 startups and is all set to expand all ventures in PAN India, and in Bangladesh too.

"Chaai Seth" by Bractburd Food and Beverage Pvt Ltd, is primarily into the food sector and offers franchises across pan India with an extensive range of about 20+ varieties of Tea and fast food. With a total investment starting from 5-6 lacs INR, they aim to open 300+ outlets by the end of 2025. You can find them on Instagram-

A2Z medicals and surgical being the 3rd venture, which deals in medical and surgical equipment and has about 125+ outlets through franchising.

Mr. Arpit hails from Delhi, and has roots from Bihar, and holds an MBA degree as well. He had an urge to do something on his own, therefore after working for two years, he finally quit his job and started working on his startups and ventures. The fact that Arpit at the age of 24 is the owner of 3 huge startups

that are working pan India is quite amusing. The sheer courage, hard work, and dedication that he has shown are exemplary and are very rare to find. We wish him a great future ahead.

Even we are very excited to see chaai Seth outlets in Bangladesh.
