

Ahsan Abdulghani, MD, a Geriatrician with Mediversity Health

Get to know Geriatrician Dr. Ahsan Abdulghani, who serves patients in New Jersey.

New York, New York City, Apr 1, 2021 ([Issuewire.com](https://www.issuewire.com)) - Featured as a 2021 Top Geriatrician in New Jersey Magazine, Dr. Abdulghani is the Medical Director of Mediversity Health with offices in Turnersville, Cherry Hill, and Salem, New Jersey. He is committed to providing compassionate medical care, is interested in preventive medicine, and has a holistic and family-oriented approach to caring for seniors.

Mediversity Health provides compassionate, comprehensive medical care with patients' best interests in mind – a critical asset when navigating today's increasingly complex healthcare system. Dr. Abdulghani and his staff strive to forge a special relationship with each and every patient they see. As primary care doctors, they are here to take care of people of all ages and circumstances. Their goal is to be “your partner on the road to wellness and excellent health.”

In regards to his educational background, Dr. Abdulghani graduated with his medical degree from the University of Cairo, Faculty of Medicine in Egypt in 1995. He completed his residency in internal medicine at Saint Francis Medical Center in 2005, and his fellowship in geriatric medicine at Our Lady of Mercy Hospital in Bronx, New York.

Licensed to practice medicine in New Jersey, he is affiliated with Virtua Our Lady of Lourdes Hospital and Inspira Medical Center-Woodbury. He is also an active member of the American College of Physicians.

Geriatrics, or geriatric medicine, is a specialty that focuses on the health care of elderly people. It aims to promote health by preventing and treating diseases and disabilities in older adults. A geriatrician is a health care provider who focuses on patient well-being and independent functioning. These allopathic or osteopathic health care providers are specifically trained to evaluate and manage the unique health care needs and special treatment requirements of older people.

On a more personal note, Dr. Abdulghani speaks English, Arabic, Hindi, and Urdu.
