

## Albert Samandarov, DPM, a Podiatrist with Ideal Foot Care, PC

Get to know Podiatrist Dr. Albert Samandarov, who serves patients in Astoria, New York.

**New York, New York City, Apr 15, 2021 ([Issuewire.com](https://www.issuewire.com))** - Dr. Samandarov is a highly regarded and patient-focused podiatrist serving the men and women of Queens at Ideal Foot Care, PC in Astoria, New York. His practice is affiliated with New York-Presbyterian Hospital in Queens and New York-Presbyterian Brooklyn Methodist Hospital in Brooklyn.

Trained in sports medicine with a focus on reconstructive foot and ankle surgery, no foot problem is too small for Dr. Samandarov. He offers consultations for all podiatric conditions, including arthritis, warts, bunions, infections, circulation- and nerve-related issues, and walking abnormalities. He also has a great deal of experience with minimally invasive procedures, and his office uses state-of-the-art laser technology and shockwave therapy for pain treatment.

With a broad educational background, Dr. Samandarov attended the New York College of Podiatric Medicine and was awarded the distinction of being one of the top graduates of his year. He completed his residency at New York-Presbyterian Brooklyn Hospital, formerly New York Methodist Hospital,

where his standout work ethic led to him being selected as chief resident.

A member of the American Podiatric Medical Association, he is board-certified through the American Board of Podiatric Medicine (ABPM). The ABPM exists to offer podiatric physicians a comprehensive board qualification and certification process.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremities. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremities. They can treat injuries and complications from ongoing health issues like diabetes.
