

Amber Schroeder, MSN, AGACNP-BC, CCRN, a Board-Certified Adult-Gerontology Acute Care Nurse Practitioner

Get to know Board-Certified Adult-Gerontology Acute Care Nurse Practitioner & Critical Care Registered Nurse, Amber Schroeder, who serves patients in Fredericksburg, Virginia.

New York, New York City, Apr 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - Amber is a board-certified adult-gerontology acute care nurse practitioner & critical care registered nurse specializing in cardiovascular and critical care. She sees patients at the Cardiology Associates of Fredericksburg.

Cardiology Associates of Fredericksburg was founded in 1978 by Dr. Michael Cherwek, who was the first physician to bring Board Certified Cardiology to the Fredericksburg region. Offering a complete range of in-office and hospital services to adult patients, the physicians and practitioners specialize in the diagnosis and treatment of the following: arrhythmias, coronary artery disease, heart failure, heart valve disorders, hypertension, lipid disorders, structural heart diseases, and vascular diseases.

At the start of her academic career, Amber graduated with her Associate of Arts degree from the University of Phoenix in 2011. She then went on to earn her Bachelor of Science in Nursing degree from Chamberlain College of Nursing in 2014, and her Master of Science in Nursing degree from Georgetown University in 2019.

Holding certifications in Advanced Cardiac Life Support and Basic Life Support (not intended for postnominal use), she is an active member of the American Nurses Association, the Sigma Theta Tau International Honor Society of Nursing, the National Student Nurses Association, and the American Association of Nurse Practitioners.

Gerontology is the study of the social, cultural, psychological, cognitive, and biological aspects of aging. A Board-Certified Adult-Gerontology Acute Care Nurse Practitioner (AGACNP-BC) is a specialized acute care nurse practitioner who cares for adult patients with critical conditions.

A Critical Care Registered Nurse (CCRN-BC) is a registered nurse who is trained to use their skills and experience to care for patients who are critically ill and at high risk for life-threatening health problems. They may also care for pre-and post-operative patients.
