

American Singer-Songwriter Cy Fye Brings a Wave of Ethereal Rhythms and Vocal Performance in His Music

Los Angeles hip hop artist Cy Fye blends soulful R&B tunes and hard-hitting hip hop cadence to create a series of incredibly therapeutic and relatable melodies.

California, Sacramento, Apr 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - The newest singer-songwriter and music producer, **Cy Fye** has emerged into the hip hop scene with his incredibly versatile soundscape. The brilliant artist has dropped a series of reverberated musical numbers that reveal his inexplicable creative artistry. The tracks 'U Kno Me' and 'Sacrifices' feature his captivating singing that aligns perfectly with the blissful backdrop. The rhythmic resonance is sinfully addictive and offers peace to the mind. The next two songs, 'Locksmith' and 'IKWTFGO' are rich in hard-hitting beats incorporated with his masterful singing. Their therapeutic melody brings a fine tranquility into the hearts of the listeners.

The prolific musician has been involved with the hip hop genre from a very young age. He has been

working with other artists and pursuing a musical career of his own for over 10 years. His music is primarily influenced by icons like Lil Wayne, The Jacka, Ice Cube, Snoop Dogg, Bonethugs, T.I, 2pac, and more. The street vibe in his creations helps him connect with the audience on a higher level. He creates relatable music that helps the audience get in touch with their deepest emotions.

Born in New Orleans, **Cy Fye** is setting an example for the contemporary audience with his unique approach to music. He combines elements from hip hop and R&B with his new-age resonance in his latest creations 'U Kno Me', 'Sacrifices', 'Locksmith', and 'IKWTFGO'. Working with the production house Blue \$trips Global/M.A.D Muzik Group, he has skillfully merged his singing and the groovy backdrop in perfect harmony. Follow him on Spotify, [Instagram](#), and [Twitter](#) for more.
