

A.P. chapo, upcoming artist from Texas

Texas, Alice, Apr 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - Recently dropping an EP, A.P. Chapo has dropped yet again another song, available on all platforms "Wait Up" is a single that was released April 8th, 2021. There are 5 songs on streaming services but most of his underground music is found on his SoundCloud. Although he doesn't have much music he happened to get a footing in the music industry gathering thousands of plays. He could be one of the next best rappers if he could get more media attention and crowd attention. When asked why he started making music he simply responded, "It was in the moment, I was kinda like f*ck it." Below you can find most of the links to the streaming services you can find him on (not including Deezer, Amazon, Tidal. etc.) <https://linktr.ee/apchapo>
